RE: RESCISSION OF BID SOLICITATION FOR CITY OF DUBLIN 2012 SEWER LINING PROJECT

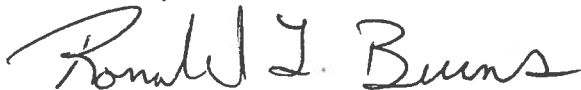

Dear Potential Bidder:

Pursuant to its charter, ordinances, and rights reserved under the bid documents for the above-referenced project, the City of Dublin hereby rescinds its bid solicitation for the City of Dublin 2012 Sewer Lining Project (the "Project").

Based on the time available for the Project completion and the complexities of egress to the Phase I Project site, the City of Dublin decided to cancel the bid process in order to re-evaluate its project delivery methodology.

At present, Dublin anticipates that a significantly revised version of the Project will be available for public bid sometime in the Spring 2012. Thank you for your interest in the Project.

Sincerely,

A handwritten signature in black ink that reads "Ronald L. Burns". The signature is written in a cursive style with a large initial 'R' and 'B'.

Ronald L. Burns
Director of Streets and Utilities
