

# CITY OF DUBLIN *In Touch*

Jan. 14-21, 2010

## Save the date for bicentennial artwork presentations

Dublin Arts Council and the City of Dublin encourage residents to become more involved with the selection of the City's next piece of public artwork.

The three finalists for Dublin's bicentennial public art project will present their ideas to the selection committee and the community on Thursday, Feb. 4, from 6 to 9 p.m. in the Abbey Theater, 5600 Post Rd. Finalists will present their proposals within 45 minutes and include digital and physical representations of the project. Residents are invited to ask questions and submit comment card, which will be reviewed by the selection committee. For more information about Dublin Arts Council or the Dublin Art in Public Places program visit [www.dublinarts.org](http://www.dublinarts.org).

## Christmas Tree recycling

Add a little more green to your holiday season by recycling your live Christmas trees as part of the City's residential yard waste composting program. Collection takes place each Monday in January. All decorations must be removed and trees placed at the curb, free of any wrapping or bags, by 7 a.m. on Mondays. If a tree is larger than 8 feet in length it must be cut in half.

For more details about the Christmas tree recycling program or the City's recycling, yard waste diversion and composting programs, go to [www.dublin.oh.us](http://www.dublin.oh.us) or call 614-410-4750.
