## ATTACHMENT A: FINAL DEVELOPMENT PLAN APPROVAL CRITERIA

### § 153.055 PLAN APPROVAL CRITERIA.

(B) Final development plan. In the review of proposed planned developments, the Planning and Zoning Commission shall determine whether or not the proposed development, as depicted on the final development plan, complies with the following:

- (1) The plan conforms in all pertinent respects to the approved preliminary development plan provided however, that the Planning and Zoning Commission may authorize plans as specified in §153.053(E)(4);
- (2) Adequate provision is made for safe and efficient pedestrian and vehicular circulation within the site and to adjacent property;
- (3) The development has adequate public services and open spaces;
- (4) The development preserves and is sensitive to the natural characteristics of the site in a manner that complies with the applicable regulations set forth in this code;
- (5) The development provides adequate lighting for safe and convenient use of the streets, walkways, driveways, and parking areas without unnecessarily spilling or emitting light onto adjacent properties or the general vicinity;
- (6) The proposed signs, as indicated on the submitted sign plan, will be coordinated within the PUD and with adjacent development; are of an appropriate size, scale, and design in relationship with the principal building, site, and surroundings; and are located so as to maintain safe and orderly pedestrian and vehicular circulation;
- (7) The landscape plan will adequately enhance the principal building and site; maintain existing trees to the extent possible; buffer adjacent incompatible uses; break up large expanses of pavement with natural material; and provide appropriate plant materials for the buildings, site, and climate;
- (8) Adequate provision is made for storm drainage within and through the site which complies with the applicable regulations in this code and any other design criteria established by the city or any other governmental entity which may have jurisdiction over such matters;
- (9) If the project is to be carried out in progressive stages, each stage shall be so planned that the foregoing conditions are complied with at the completion of each stage;
- (10) The Commission believes the project to be in compliance with all other local, state and federal laws and regulations.
