# PERSONNEL HIGHLIGHTS 2006

New Personnel	Hire Date
• Kurt Dove, Officer	8/21/2006
• Thomas Gallagher, Officer	8/22/2006
• Nicholas Hastings, Officer	8/22/2006
• Christopher Rieman, Officer	8/22/2006
• Anita Rodgers, Communications Technician	11/27/2006

Selection Process	Appointment	Appointment Date
• Eric Cochrun	Canine Officer	2/3/2006
• Carolyn Fergus	Communications Supervisor	10/29/2006

Resignations/Retirements/ Reassignment	Hire Date/Assignment Date	Exit Date/Reassignment Date
• Kevin Rickenbacher, Officer (completed detective rotation-reassigned back to patrol)	4/23/1990	1/1/2006 (reassignment)
• Neal Thompson, Officer	8/23/2005	2/13/2006 (resigned)
• Jeff Moody, Canine Officer	4/10/1984	7/10/2006 (retired)
• Kurt Dove, Officer	8/21/2006	8/31/2006 (resigned)
• Chris Burkhardt, Communications (requested reassignment from communications supervisor to communications technician)	1/23/1998	9/28/2006 (reassignment)
• Dave Boggs, Reserve Officer	1/7/1988	12/31/2006 (resigned)

## Internal Affairs Investigations

In 2006 there were zero (0) internal affairs investigations conducted by our agency in 2006. Compared to 2005, there were also zero (0) internal affairs investigations.

### *Analysis and Conclusions:*

No analysis could be conducted in 2006 as no investigations were conducted.

### Internal Affairs Investigations by Employee Status:

*January – December 2006*  
Sworn: 0 Civilian: 0

## Formal Complaints

In 2006 there were two (2) formal complaints filed, one which involved two sworn employees of the Division of Police. The circumstances surrounding these complaints were as follows: First complaint – 1) Excessive Show of Force; 2) Officers Waiting for Suspect's Arrival Home; 3) Entering Home Without Permission; and 4) Excessive Use of Force. Second complaint - Call-taker Professionalism. Thorough investigations were conducted into each complaint. The results of those complaints follow – First Complaint: 1) Proper Conduct-Officers Exonerated; 2) Proper Conduct-Officers Exonerated; 3) Proper Conduct-Officers Exonerated; and 4) Unfounded-Officers Exonerated. Second complaint – Improper Conduct-Employee Counseled. In comparison to the previous year, there were two (2) complaints filed against employees.

### Complaints by Employee Status:

*January – December 2006*  
Sworn: 2 Civilian: 1

***Analysis and Conclusions:***

A review of all complaints filed in 2006 did not identify a pattern of employee or misconduct. In addition, comparing the complaints received in 2006 to the complaints in 2005, there was no identifiable pattern of employee or misconduct identified.

**Grievances**

In 2006 there were two (2) grievances filed by employees. The circumstances of the grievances filed in 2006 are as follows: Refusal of Sick Time Conversion Pay and Denied Light Duty Status. Compared to 2005, there were six (6) grievances filed by employees relating to: Denial of Shift Differential; Denial of OT; Ancillary Court Liaison Position; Section 125 Savings Plan & Recreation Center Membership; City's Discontinuation of Underinsured/Uninsured Motorist Coverage; and an Oral Reprimand.

<p><b><i>Grievances by Employee Status:</i></b></p> <p><b><i>January – December 2005</i></b>          Sworn: 2 Civilian: 0</p>
--

***Analysis and Conclusions:***

Analysis of the grievances did not reveal an identifiable pattern of persons filing grievances or type of grievance filed. Compared to the six (6) grievances filed in 2005, there was no identifiable pattern of persons filing grievances or type of grievance filed.

**Use of Force**

The use of force applied against a suspect by a police officer in the performance of his/her official duties is a very dangerous and stressful event. During such encounters, officers are at significant risk. Training throughout the officer's career teaches him/her to explore other alternatives before resorting to physical force to counter any assault directed at him/her or to restrain a suspect.

Because the application of force on a suspect by a police officer is viewed as a serious incident by society in general and the Division of Police, we investigate all use of force incidents, which involve our officers.

In 2006, the Dublin Division of Police reported a total of nine (9) use of force incidents. In comparison, the Dublin Division of Police reported a total of four (4) use of force incidents in 2005, six (6) use of force incidents in 2004, nine (9) use of force incidents in 2003 and six (6) use of force incidents in 2002.

<p><b>January - December 2006</b></p> <p><b><i>Type of Incident Requiring Use of Force:</i></b>          Necessary to Effect Arrest: 9          Necessary to Defend Officer: 6          Other: 4</p> <p><b><i>Type of Force Used:</i></b>          Bodily Force: 14          OC Spray: 2</p> <p><b><i>Disposition:</i></b>          Force Necessary: 9          Force Unnecessary: 0</p>
--

The nine (9) use of force incidents resulted in fourteen (14) individual use of force reports being filed. This is due to more than one officer using force out of a single incident. In all, there were three (3) use of force incidents where one officer filed a use of force report, five (5) use of force incidents where two officers filed a use of force report out of the same incident, and one (1) use of force incident where three officers filed a use of force report out of the same incident.

Of the nine (9) use of force incidents in 2006, the following is a break down of the level of resistance encountered as identified in the use of force reports: not responding to commands (all 9 incidents), presenting physical danger cues (all 9 incidents), pulling away from officer (8 incidents), presenting

verbal danger cues (7 incidents), refusing to move/dead weight (5 incidents), wrestling with officer (3 incidents), pushing officer (1 incident), striking officer (1 incident), and kicking officer (1 incident).

Of the nine (9) use of force incidents in 2006, the following is a break down of the reporting officer's level of control applied: officer presence (all 9 incidents), verbal or physical commands (all 9 incidents), takedowns (7 incidents), assistance from other officers (6 incidents), escort position (4 incidents), balance displacement (2 incidents), joint manipulations (2 incidents), use of chemical agents - OC ballistic stream (1 incident), and striking motor point areas (1 incident).

Of the nine (9) use of force incidents in 2006, the subject/suspect was suspected of being under the influence of drugs or alcohol in seven (7) incidents and/or mental stress/instability in four (4) incidents. The numbers will not match up due to some reports having more than one description for the suspect, the report was classified as other (1 incident listed as agitated and confrontational), or none were marked on the report.

Of the nine (9) use of force incidents in 2006, the subject/suspect suffered injuries in seven (7) of the incidents (all injuries were minor in nature). The injuries ranged from: sore finger, minor cut to forehead, scrapes to the elbow, hand, face, cheek, and ankle. Medics were called or medical assistance was offered in all instances of injury. Of the nine (9) use of force incidents in 2006, officers were injured in five (5) of the incidents. These injuries ranged from: calf laceration, sprained ankle, shoulder injury, and scrapes to the hand, finger, elbow, and knees. It should be noted that the shoulder injury was later diagnosed as a torn rotator cuff and later required surgery.

Of the nine (9) use of force incidents in 2006, six (6) were documented as necessary to effect arrest, three (3) were documented as necessary to defend reporting officer, and four (4) were documented as other: protect fire personnel, prevent escape, and two for psychological commitments. The numbers will not match up due to some reports having more than one reason for use of force. Of the nine (9) use of force incidents in 2006, the suspect was arrested/charged in six (6) incidents. In the other three (3) incidents, the subject/suspect was released to a hospital for psychological evaluation (2) or released to Maryhaven (1).

### ***Analysis and Conclusions:***

In reviewing the nine (9) use of force incidents that occurred in 2006, it is clear that all our policies regarding use of force were followed. All nine (9) use of force incidents were correctly reported, investigated, and reviewed by the chain of command. All nine (9) use of force incidents were classified as force necessary, reasonable, and consistent with policy. This information will be forwarded to the defensive tactics instructors and firearms instructors for their review and consideration for training purposes. It should be noted that prior use of force analysis have resulted in training recommendations. For example, in 2005, takedown training was provided during our mandatory defensive tactics in-service training based on the results of the 2004 use of force analysis. Based on the review and analysis of use of force incidents in 2005, training was provided in 2006 on escort position and joint manipulation. Based on the analysis of 2006 use of force incidents, I believe the current defensive tactics program is appropriate and should be continued in its current format. The defensive tactics program incorporates: use of handcuffing, OC spray, ASP baton, use of force policy review, and other defensive tactics techniques. It should be noted that in 2007, Tasers will be implemented which includes a policy modification, equipment issue, and in-service training. Tasers were approved for purchase based on a recommendation from defensive tactics instructors, a review of past use of force incidents, and approval from the Chief of Police.

# DIVISION ACTIVITY

## Goals & Objectives Update

January – December 2006

<b>1</b>	<b>Reduce the incidence of crime throughout the City.</b>
----------	---

### MEASUREMENT / OUTCOMES

- **Reduction in Part I Crimes based upon population index.**

**2006 = 19 Part I Crimes per 1,000 Residents**

**2005 = 16 Part I Crimes per 1,000 Residents**

**2004 = 18 Part I Crimes per 1,000 Residents**

**2003 = 22 Part I Crimes per 1,000 Residents**

**2002 = 24 Part I Crimes per 1,000 Residents**

### OPERATIONS BUREAU OBJECTIVES

#### PATROL

**2006-101** Reduce thefts from vehicles from 2005 figures (below 148).

*Not Accomplished:* This objective was not achieved in 2006. 181 thefts from vehicle reports were filed in 2006. This represents a 22% increase in thefts from vehicles from 2005 to 2006.

**2006-102** Reduce burglaries/breaking and entering (B&E) from 2005 figures (below 141).

*Not Accomplished:* This objective was not achieved in 2006. 144 burglary/B&E reports were filed in 2006. This represents a 2% increase in burglaries/B&E from 2005 to 2006.

**2006-103** Increase the percentage of cases solved by patrol officers from 2005 figures (above 37%).

*Accomplished:* This objective was achieved in 2006. The patrol section conducted 117 follow-up criminal investigations in 2006. As of 12-31-06, patrol officers had closed/cleared 106 of the 117 investigations with a 42% solution rate (45/106) for the cases investigated.

#### CRIME ANALYSIS

**2006-104** Identify evolving or existing crime patterns/series and communicate this information to all division components.

*Accomplished:* This objective was achieved in 2006. The Crime Analysis Officer has issued several crime alerts during 2006. These crime alerts identified evolving or existing crime patterns/series and were communicated to all division components.

7/18/2006 2006-019 Glassford Court Area Burglary/Theft from Vehicle/Map of Area

 05/30/05 2005-001 48B Activity in District #4

*In addition to the crime alerts, the Crime Analysis Officer issued weekly reports, monthly reports, and other specialized or requested reports.*

**2006-105** Work with PIO to distribute education materials to the public and media concerning crime issues.

**Accomplished:** *This objective was achieved in 2006.*

- *A letter along with a map of district assignments was forwarded to all civic associations at the beginning of 2006.*
- *The Operations Bureau Commander has been working with the Website Designer/Editor in reference to updating the police webpage for purposes of distributing education materials to the public and media.*
- *An article and press release was completed on crime prevention which was distributed to civic associations, businesses, and schools during the holiday season.*
- *Information reference reporting suspicious persons or activity possibly related to terrorism was released on the police website.*
- *On several occasions the Crime Analysis Officer responded to public requests for crime information (i.e. data, maps, etc.).*
- *The Crime Analysis Officer met with high school sociology classes to discuss local crime trends.*
- *In late 2006, the Crime Analysis Officer distributed monthly crime maps to local neighborhood watch associations.*
- *Operations supervisors worked with the PIO in the creation and/or distribution of press releases reference crime issues.*

## **SERVICES BUREAU OBJECTIVES**

### **DETECTIVES**

**2006-106** Conduct hotel and pharmacy checks on a monthly basis. Include documentation of follow-up investigative efforts.

**Not Accomplished:** *Checks were documented of area pharmacies for five months this year.*

**2006-107** Conduct periodic checks of area second-hand retail shops for stolen merchandise.

***Not Accomplished:** Conducted several checks of pawn shops. All checks were related to assigned cases on not done randomly. The checks turned up at least one case where stolen merchandise was found resulting in the opening and successful closure of a cold case (#06-4145).*

**2006-108** Work cooperatively with Crime Analyst to investigate recurrent crime patterns/Assign Detective Section personnel to liaison directly with Crime Analyst.

***Accomplished:** Detective Higgins is the assigned liaison between units. Relatively little outcome from this objective, other than information relating to burglary ring earlier in the year.*

**2006-109** Develop an additional five actively working confidential informants in 2006, each resulting in information leading to successful case clearances.

***Not Accomplished:** In 2006 we have enlisted only two new CI's. One of the CI's has produced several cases in 2006. Three other CI's are awaiting defendant agreements with the prosecutor's office.*

**2006-110** Achieve a 40% successful case clearance rate on a monthly and annual basis as an investigative unit.

***Accomplished:** Detective section successfully cleared 49.6% of all cases assigned. Cases that are cleared by arrest or exceptional means are considered successfully cleared.*

**2006-111** Proactively initiate at least two drug investigations per month.

***Accomplished:** The detective section proactively initiated twenty (20) drug cases in 2006 since instituting this objective in March.*

## **COMMUNITY EDUCATION UNIT**

**2006-112** Deliver programs aimed at increasing citizen crime awareness (SafeEscape, Cyber Safe, Personal Defense Program, DARE) and evaluate presentations to measure participant feedback.

### ***Accomplished:***

- Completed 12 Safe Escape Classes*
- Completed 3 CyberSafe Presentations for Dublin Schools, and PTO groups*
- Presented PDP (6 classes) at all 3 high schools, and for 3 other groups in the community*
- Delivered all scheduled DARE Classes in the Dublin Schools (1,270 classes)*
- Conducted one Youth Police Academy*
- Conducted 10 Street Safe classes for traffic diversion program*
- Received verbal feedback on classes and written thank you notes from participants.*

**2006-113** Allocate enforcement resources in schools based on crime trend analysis to reduce crimes involving drugs, alcohol, theft, and violence from 2005 levels.

***Not Accomplished:** CEU members were allowed to move between schools to address particular crime issues and details. SROs have employed theft prevention measures such as; educational campaigns, focused patrols, and comprehensive investigations to solve and prevent crime. We are working to reduce crime levels, particularly in the high schools. More stringent reporting standards for the SRO's may be responsible for some of the rise we have seen this year. A summary of overall crime statistics (see attached) is below:*

- Alcohol Offenses: Up 33.3% (2006: 8, 2005: 6)*
- Assaults: Up 15.4% (2006: 30, 2005: 26)*
- Property Damage: Up 77.8% (2006: 16, 2005: 9)*
- Drug Offenses: Down 16.7% (2006: 10, 2005: 12)*

*-Theft Offenses: Up 18.1% (2006: 85, 2005: 72)*  
*-Weapons Offenses: Up 500% (2006: 6, 2005: 1)*

**2006-114** Implement the SRO Contact Reporting System to report SRO activity and use information for crime prevention, education, and law enforcement.

***Accomplished:** This system is implemented and being used by all CEU members for monthly reporting (see attached example). Its use will be expanded in the next school year to include generating real time data from schools to focus enforcement and prevention efforts.*

**2006-115** Utilize the Dublin Emergency Calling System to make notifications to businesses and residents in response to crime trends.

***Not Accomplished:** On July 7<sup>th</sup>, the DECS system was used to make notification to residents in the area of Frantz Rd and Longbranch Drive of a suspect wanted out of a pursuit. Approximately 220 phones were contacted. The activation produced no leads on the suspect who was never located. There have been no additional requests by officers to use the system for notifications during this period.*

**2006-116** Complete all crime-related data entry by the second work day of each new month.

***Accomplished:** This objective has been accomplished successfully for each month this year.*

**2006-117** Complete all crime and officer activity-related analysis reports by the fifth work day of each new month with distribution completed on the seventh work day of each month.

***Accomplished:** This objective has been accomplished successfully for each month this year.*

**2006-118** Cross-train assigned personnel in crime and activity-related analysis reporting.

***Accomplished:** Cross-training has started and will continue through the remainder of the year. The success of this goal will be measured by the ability of each clerical specialist to independently complete a set of monthly reports.*

<b>2</b>	<b>Maintain traffic safety throughout the City by reducing traffic crashes and responding effectively to other traffic concerns.</b>
----------	--

**MEASUREMENT / OUTCOMES:**

- **Number of accidents vs. index.**
- **Reduction of speed in areas identified by TEU.**

**OPERATIONS BUREAU OBJECTIVES**

**PATROL**

**2006-201** Reduce traffic crashes in the top 7 traffic crash corridors from 2005 figures (below 312).

***Accomplished:** This objective was achieved in 2006. Traffic crashes in the top 7 corridors were reduced by 3% (302 in 2006 vs. 312 in 2005). Overall, traffic crashes were reduced by 0.8% from 2005 (768) to 2006 (762).*

**2006-202** Ensure at least 30% of all traffic stops and citations are issued within the top 7 traffic crash corridors.

***Accomplished:** This objective was achieved in 2006. The police division ensured that at least 30% of all traffic stops and citations were issued within the top 7 traffic crash corridors. For 2006, 48% of traffic stops (5,027/10,420) made and 56% of citations (3,280/5,898) issued occurred in the top 7 traffic crash corridors.*

**2006-203** Increase the number of division wide OVI arrests from 2005 figures (above 124).

*Accomplished:* This objective was achieved in 2006. 160 OVI arrests (i.e. OVI, OMVAUC, & physical control) were made in 2006.

#### **TRAFFIC ENFORCEMENT UNIT**

**2006-204** Reduce speeds in those neighborhoods which warrant a TEU response.

*Accomplished:* This objective was achieved in 2006. The TEU received 132 traffic complaints in 2006. Well over 90% of speed complaints have been shown to be a perception issue rather than an actual speeding problem. In 2006, there were only two major residential speeding projects that the TEU collectively worked on: 1) Post & Gordon Farms which resulted in a decrease in the 85<sup>th</sup> percentile speed by 1.49% and 2) Post Preserve & Blakemore which resulted in a decrease in the 85<sup>th</sup> percentile speed by 1.7%. The TEU worked on a number of residential traffic flow issues due to road construction and/or road detour projects. In 2006, speed trailers were deployed 121 times and stealthstats were deployed 78 times.

**2006-205** Reduce traffic crashes in the top 7 traffic crash corridors from 2005 figures (below 312).

*Accomplished:* This objective was achieved in 2006. Traffic crashes in the top 7 corridors were reduced by 3% (302 in 2006 vs. 312 in 2005). Overall, traffic crashes were reduced by 0.8% from 2005 (768) to 2006 (762).

**2006-206** Develop a traffic count index to be used in conjunction with division goals & objectives.

*Accomplished:* This objective was achieved in 2006. The Operations Bureau Commander conducted meetings with the Division of Engineering reference the creation of a traffic count index. Currently, there is no engineering principle being utilized as a traffic count index. Traffic counts, millions of miles traveled, travel demand models, etc. are used for purposes of roadway engineering. Based on roadway traffic counts conducted by and/or received from the City of Dublin, Ohio Department of Transportation (ODOT), and the Mid-Ohio Regional Planning Commission (MORPC), it is estimated that the amount of vehicular traffic in Dublin increases by roughly 3% per year. It is recommended that future objectives pertaining to traffic crash reduction consider that vehicular traffic in Dublin is growing by roughly 3% per year.

#### **CRIME ANALYSIS**

**2006-207** Identify evolving or existing traffic crash patterns/trends and communicate this information to all division components.

*Accomplished:* This objective was achieved in 2006. Weekly and monthly reports were completed by the Crime Analysis Officer pertaining to traffic crash issues in the community. These reports were distributed division wide on COP-NET. In addition, a monthly report was completed by the Chief's Administrative Assistant and distributed to Operations Bureau supervisors pertaining to monthly crash data (i.e. dates, times, locations, severity, number of vehicles, and contributing factor(s)).

**2006-208** Work with PIO to distribute education materials to the public and media concerning traffic issues and traffic safety.

*Not Accomplished:* This objective was not achieved. The Operations Bureau Commander has been working with the Website Designer/Editor in reference to updating the police webpage for purposes of distributing education materials to the public and media.

## SERVICES BUREAU OBJECTIVES

### COMMUNITY EDUCATION UNIT

**2006-209** Implement Street Safe juvenile traffic diversion program by end of May, 2006.

**Accomplished:** *Street Safe implemented with the first class 10 August 2006. Eight classes have been conducted to date.*

**2006-210** Traffic issues at schools will be addressed by assigned CEU members through direct enforcement, education, and/or liaison with TEU and Patrol.

**Accomplished:** *Safe Driving lessons presented during HS DARE curriculum as scheduled. SROs at all 3 high schools conducted speed blitz events in cooperation with TEU in order to address speeding problems. CEU as a unit has conducted 516 traffic details in 2006. Seat belt usage education and enforcement efforts conducted at the high schools also.*

**2006-211** Consistently notify media outlets of traffic problems when they occur to help improve traffic flow in the city.

**Accomplished:** *During 2006, Communications Technicians notified area traffic reporters and media outlets of traffic problems on 49 incidents: 45 traffic crashes, 3 Fire/EMS related incidents and 1 HazMat incident.*

**2006-212** Complete all traffic-related data entry by the second work day of each new month.

**Accomplished:** *This objective has been accomplished successfully this year.*

**2006-213** Complete all traffic and officer activity-related analysis reports by the fifth work day of each new month with distribution completed on the seventh work day of each month.

**Accomplished:** *This objective has been accomplished successfully this year.*

**2006-214** Cross-train assigned personnel in traffic and activity-related analysis reporting.

**Accomplished:** *Cross-training has started and will continue through the remainder of the year. The success of this goal will be measured by the ability of each clerical specialist to independently complete a set of monthly reports.*

3
---

<i>Enhance demonstrated readiness to successfully resolve critical incidents.</i>
---

### MEASUREMENT / OUTCOMES:

- Identify purchase and fielding of essential equipment at unit level in support of readiness.
- Completion of related training and readiness exercises at unit/division level.
- Actual performance at major crimes, mock incidents as measured by debriefs, summaries and critiques.

## OPERATIONS BUREAU OBJECTIVES

### PATROL

**2006-301** Complete two critical incident/major crime exercises (i.e. tabletops, drills, scenarios, etc.) per shift.

**Not Accomplished:** *This objective was not achieved. \*Note: This objective was not completed due to a communication error by the Operations Bureau Commander.*

- 7-8-06: *Tabletop exercise conducted reference a shooting of an officer on Dublin Justice grounds.*
- 8-3-06: *Field exercise conducted to provide ground experience with the exterior and interior of Dublin Jerome High School as well as identify primary breach points to the structure.*
- 9-25-06: *Tabletop exercise conducted reference a hazardous material spill on I-270 out of an injury accident on I-270.*
- 10-18-06: *Field exercise conducted to provide ground experience with the exterior and interior of the Dublin Community Recreation Center as well as identify primary breach points to the structure.*
- 9-19-06: *Participation with the Columbus Division of Power & Water on the O'Shaughnessy Dam failure tabletop exercise.*
- 9-28-06: *Participation with the Columbus Division of Power and Water on the O'Shaughnessy Dam failure functional exercise.*
- 10-2-06 to 10-13-06: *Conducted training on the division of Police EOP and assisted in the development and management of the critical incident exercise (10/2-10/13/06).*
- 10-24-06: *Participated in a functional exercise (10-24-06) with Nationwide Insurance reference a train derailment that resulted in a 5-mile perimeter and evacuation zone.*
- 11-1-06: *Meeting with the Nestle Corporation to discuss the development of their own internal emergency operations plan.*
- 11-29-06: *Attended the Franklin County EMA and American Red Cross "Mass Care Forum".*

**2006-302** Complete debriefings with officers involved in critical incidents/major crimes in an effort to identify and correct issues that will improve future performance.

**Accomplished:** *This objective was achieved in 2006.*

- 1-13-06: *Debrief with officers involved in the execution of a search warrant with the Ohio AG's office.*
- 2-1-06: *Debrief with officers involved in the response and preliminary investigation of a bank robbery.*
- 2-3-06: *Debrief with officers involved in a search warrant out of a foot pursuit with a suspect.*
- 2-15-06: *Debrief with command personnel involved in the Presidential Visit to Wendy's International.*
- 2-28-06 to 3-12-06: *Multiple de-briefings with officers working the B&E surveillance detail.*
- 6-5-06: *Debrief with officers involved in the U.S. Capitol Police Speaker Protection and Escort Detail.*
- 9-27-06: *Debrief with officers involved in the kidnapping (shift and agency wide).*
- 10-2-06 to 10-13-06: *Division wide critical incident exercise and debriefing.*

**2006-303** Ensure officers deploy the ballistic packages and their first responder equipment on a daily basis.

**Accomplished:** *This objective was achieved in 2006. Supervisors conducted spot checks to ensure officers were deploying the ballistic packages and first responder equipment on a daily basis.*

#### **TRAFFIC ENFORCEMENT UNIT**

**2006-304** Ensure officers deploy the ballistic packages and their first responder equipment on a daily basis.

**Accomplished:** *This objective was achieved in 2006. Supervisors conducted spot checks to ensure officers were deploying the ballistic packages and first responder equipment on a daily basis.*

**2006-305** Participate in shift exercises and debriefings as applicable.

**Accomplished:** *This objective was achieved in 2006. TEU Officers participated in exercises in which they were invited or involved.*

## **SERVICES BUREAU OBJECTIVES**

### **DETECTIVES**

**2006-306** Maintain crime scene and major crime response by conducting monthly training on portions of crime scene response equipment.

*Not Accomplished:* Three trainings were conducted in 2006 on crime scene response equipment.

**2006-307** Conduct and document in-service training two times this year as a unit related to major crime personnel.

*Not Accomplished:* One training session was conducted on 8/31/2006. One other training session was scheduled and had to be cancelled.

**2006-308** Conduct and document at least two moving surveillance trainings with all detective section personnel.

*Not Accomplished:* One moving surveillance training was conducted.

**2006-309** Conduct a debrief and prepare an after-action report on all training.

*Accomplished:* The training sessions that were conducted were followed up with debriefs and after-actions.

### **COMMUNITY EDUCATION UNIT**

**2006-310** Improve readiness to respond to major crimes in middle schools through deployment of ballistic vests and helmets.

*Accomplished:* Ballistic packages were acquired for the middle school SRO's. They are now deployed to all middle and high school CEU officers.

**2006-311** Complete at least one unit training exercise every six months focusing on tactical responses in schools by individual SRO's to crimes in progress or disturbances.

*Accomplished:* Completed in September.

**2006-312** Conduct debriefs and after-action reports of incidents at schools. Integrate any lessons learned into unit training exercises and operations.

*Accomplished:* SRO's have submitted written debriefs on all drills and critical incidents. On-going review for inclusion in future training.

### **COMMUNICATIONS**

**2006-313** Implement the Incident Dispatching Team (IDT) concept.

*Accomplished:* The incident dispatching team was selected and conducted their first in-service training day on April 6<sup>th</sup>. Team members include CS Readnour, CS Burkhardt, CT Pineault, CT Richmond, CT McCoy, CT Blakesley, CT Fergus and CT Karns. The team will hold training sessions every other month. The team has completed purchasing of needed equipment and has compiled a rapid response kit to take with them to scenes. They have also developed a call in procedure that requires the approval of a communications supervisor prior to response. The IDT team was deployed on June 21<sup>st</sup> to support WTFD incident command at a two alarm fire at the Craughwell Village apartments.

**2006-314** Conduct a communications center evacuation drill.

*Not Accomplished:* Preparation continues for a drill to be conducted in early December. Training of staff is expected to occur at the November Communications In-Service Training.

**2006-315** Complete a revision of the radio system template to ensure area-wide interoperability.

***Accomplished:***

- CT Paul Richmond successfully completed a redesign of the police radio template in April. The Grove City 800mz and the Delaware County 800mz systems were added to the template for interoperability.

-Franklin County EMA and Central Ohio Red Cross talk-groups were also added to allow for communication with those disaster response agencies.

-Several Dublin talk-groups were re-named to better represent their function on the radio system. This will aid outside agencies that may be operating on our system to better identify the function of a talk-group by its alias.

-CT Richmond arranged for two Dublin specific talk-groups on the new Delaware County Digital 800mz system. Comm#3 will be used for the Incident Dispatching Team. Event#7 will be used for special operations and will also serve as the back-up talk-group in the event the Dublin 800mz system should fail. Delaware County created the talk-groups free of charge for Dublin in the interest of interoperability.

**2006-316** Conduct a feasibility study and make a proposal on the merging of the Dublin and Worthington radio systems.

***Accomplished:*** In May, Motorola provided an engineering and budgetary quote for this project. Motorola proposed creating a 7 channel, 3 site Astro25® Digital SmartNet Simulcast system that interconnects with the Delaware County 800mz system through the sharing of a system controller. This would allow users from both systems to seamlessly cross from one system to the other and to take advantage of coverage and system capacity. The proposed cost for this project is approximately \$3.6 million. A request was placed in the capital improvements budget to fund this project in 2008.

**2006-317** Installation of new digital 800mz radios in all f police vehicles.

***Accomplished:*** Motorola XTL5000 radios were purchased in February and delivered by Motorola in March. To date, 13 cruisers have been changed out, with the remainder being upgraded as new cruisers are delivered or as time permits.

**2006-318** Successful addition of a fifth console position in the communications center.

***Accomplished:*** In July, the Facilities Department will complete the removal of the wall and upgrade of the floor in the center to accommodate the fifth position. Proposals are complete from Motorola and Watson Furniture with equipment being ordered in August. Installation is expected to be completed by mid-October.

**2006-319** Complete staff participation in critical incident scenario training, including participation in debriefing sessions.

***Accomplished:*** Staff is participated in the critical incident scenario drill conducted in October.

**2006-320** Conduct training of all staff on skills needed for call taking in the Dublin Crisis Call Center.

***Accomplished:*** Training completed in October.

***ADMINISTRATIVE OBJECTIVE***

**2006-321** Complete QUAD training for all sworn employees (100% compliance).

***Accomplished:*** This objective was achieved in 2006. (\*Note: due to medical and injury issues, 100% participation was not attained)

# DIVISION ACTIVITY

## CALLS FOR SERVICE

### District 1

Includes all areas within the city limits that are south and east of Interstate 270 and west of the Scioto River. Also includes I270 northbound from US 33 westbound ramp up to Sawmill Road.

### District 2

Includes all areas within the city limits that are east of the Scioto River, west of Sawmill Road, south of the Delaware County Line and north of Martin Road. Also includes I270 westbound from Sawmill Road to US 33 and the ramp from I270 southbound to US 33 westbound.

### District 3

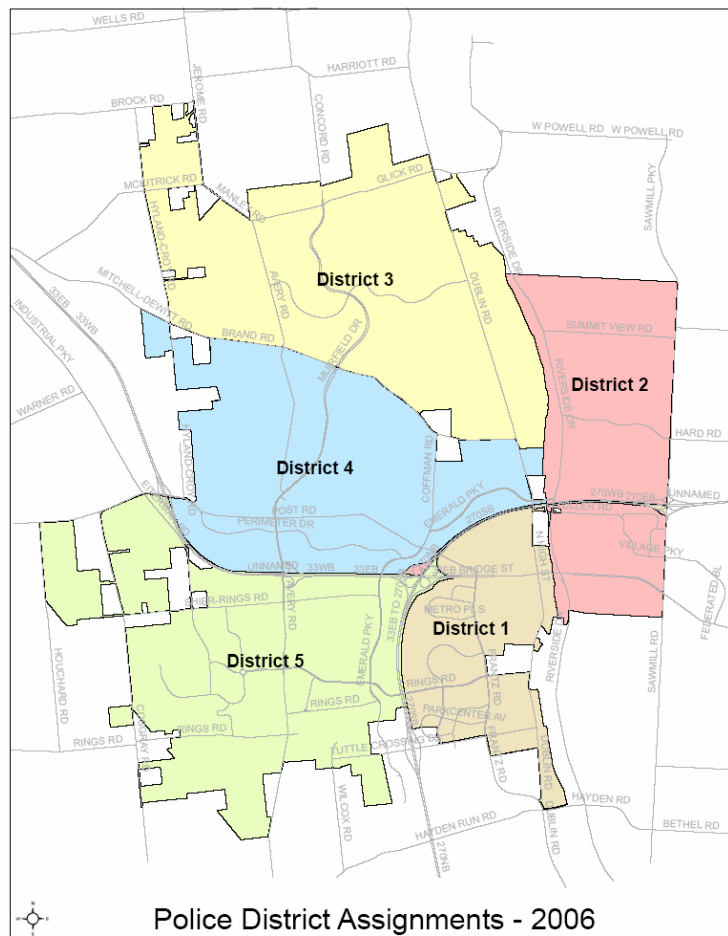

Includes all areas within the city limits that are north of Brand Road and west of the Scioto River. All addresses that are within the city limits on Brand Road including the intersections of Brand Road/Muirfield Drive and Brand Road/Dublin Road are covered by this district.

### District 4

This district includes all areas within the city limits that are south of Brand Road, north of US 33 and west of Interstate I270, Browning Court and Dublin Road. Addresses that are south of Brand Road to the I270 overpass that are within the city limits are part of District 4.

### District 5

This area includes all areas within the city limits that are south of the north edge of US 33 and west of I270. This area also covers both northbound and southbound lanes of I270 between Tuttle Crossing and US 33 and all ramps to and from I270 south of US 33.

**NOTE:** The following is a breakdown of calls for service. They represent initial reports. The number of actual offenses may be different after officer's investigation.

# WORKLOAD ANALYSIS REPORT

## January - December 2006

The January through December 2006 Workload Analysis reflects a total of 25,363 calls for service. This figure does not include traffic stops, foot patrols or courtesy cards initiated by officers or activity occurring in District 0 (calls outside city limits/mutual aid). The average response time for calls was five (5) minutes from the time the call was received by our communications technician until the first responding officer arrived on the scene. The average time to reach a disposition and clear the call was twenty-one (21) minutes.

The Workload Analysis also allows us to track activity levels by hour by day. We analyze this data to determine our staffing levels for patrol shifts. By reviewing our Workload Analysis Graph on the following page, you can see that our busiest hour of activity was between 3PM and 4PM. Two thousand nine hundred eighty-four (2,984) calls for service were received during this time frame. The next busiest hour was between 4PM and 5PM when two thousand three hundred sixty-four (2,364) calls for service were received. The ability to obtain this type of data is critical to effectively staff our patrol shifts.

While reviewing this report it is important to note that various factors can influence average response times. "Stacking" of calls where lower priority calls are held so that calls of a more urgent nature can be dispatched and responded to commonly occurs. "Cross dispatching" where an officer is dispatched out of district to a call will also increase response time. Low priority calls that are received during roll call/shift change negate an immediate response from patrol officers thus increasing response times.

As a matter of practice, we like to keep our average response time for all calls occurring inside the City under ten (10) minutes. As previously stated, there are certain incidents where that becomes impossible. However, our goal is realistic and as demonstrated by the January through December 2006 report, was met. The following is a break down of calls for service by district with the overall total calls, average response time and average time to resolve the call:

### District 1 Totals

4,986 Calls for Service  
 5 minute average response time  
 20 minute average time to resolve call

### District 4 Totals

6,862 Calls for Service  
 5 minute average response time  
 23 minute average time to resolve call

### District 2 Totals

4,353 Calls for Service  
 5 minute average response time  
 24 minute average time to resolve call

### District 5 Totals

4,238 Calls for Service  
 5 minute average response time  
 20 minute average time to resolve call

### District 3 Totals

4,924 Calls for Service  
 6 minute average response time  
 17 minute average time to resolve call

### Total Calls for Service

25,363 Calls for Service  
 5 minute average response time  
 21 minute average time to resolve call

# ***Calls for Service by Time of Day January - December 2006***

# WORKLOAD ANALYSIS REPORT

## October - December 2006

The October through December 2006 Workload Analysis Report reflects a total of 5,684 calls for service. This figure does not include traffic stops, foot patrols or courtesy cards initiated by officers or activity occurring in District 0 (calls outside city limits/mutual aid). The average response time for calls was five (5) minutes from the time the call was received by our communications technician until the first responding officer arrived on the scene. The average time to reach a disposition and clear the call was twenty-two (22) minutes.

The Workload Analysis Report also allows us to track activity levels by hour by day. We analyze this data to determine our staffing levels for patrol shifts. By reviewing our Workload Analysis Chart on the following page, you can see that our busiest hour of activity was between 3PM and 4PM. Seven hundred twenty-four (724) calls for service were received during this time frame. The next busiest hour was between 4PM and 5PM when five hundred fifty-five (555) calls for service were received. The ability to obtain this type of data is critical to effectively staff our patrol shifts.

While reviewing this report it is important to note that various factors can influence average response times. "Stacking" of calls where lower priority calls are held so that calls of a more urgent nature can be dispatched and responded to commonly occurs. "Cross dispatching" where an officer is dispatched out of district to a call will also increase response time. Low priority calls that are received during roll call/shift change negate an immediate response from patrol officers thus increasing response times.

As a matter of practice, we like to keep our average response time for all calls occurring inside the City under ten (10) minutes. As previously stated, there are certain incidents where that becomes impossible. However, our goal is realistic and as demonstrated by the October through December 2006 report was met. In an effort to assist the reader in reviewing the Workload Analysis Report the following is a list of some relevant interpretations for review.

### District 1 Totals

1,111	Calls for Service
4	Minute average response time
21	minute average time to resolve call

### District 4 Totals

1,498	Calls for Service
5	minute average response time
23	minute average time to resolve call

### District 2 Totals

1,040	Calls for Service
6	minute average response time
29	minute average time to resolve call

### District 5 Totals

991	Calls for Service
5	minute average response time
20	minute average time to resolve call

### District 3 Totals

1,044	Calls for Service
6	minute average response time
18	minute average time to resolve call

### Total Calls for Service

5,684	Calls for Service
5	minute average response time
22	minute average time to resolve call

# ***Calls for Service by Time of Day October - December 2006***

## ACCIDENT ANALYSIS

### January - December 2006

January 1, 2006 through December 31, 2006 there were 762 reported traffic accidents, resulting in an average 2.09 accidents/day. Compared to 2005, accidents decreased .78% (2006 = 762; 2005 = 768).

Personal injury accidents (215) accounted for 28.14% of the total. Property damage accidents accounted for the majority of our activity with 466 reports being filed (60.99%). Private property collisions accounted for 83 (10.86%) reports being filed.

District 2 experienced the majority of accidents (202 or 26.51%). The second district with the most activity was District 4 (186 accidents or 24.41%). There were 148 collisions in District 1 (19.42%), 64 collisions in District 3 (8.40%) and in District 5, 162 accidents (21.26%). The busiest day of the week for accident activity for the reporting period was Thursday with 138 accidents (18.11%) reported. The second busiest day was Tuesday with 136 accidents (17.85%) reported. Accident activity for the remaining days of the week were as follows: Sunday = 52 (6.82%); Monday = 103 (13.52%); Wednesday = 121 (15.88%); Friday = 134 (17.58%); and Saturday = 78 (10.24%).

The most frequent contributing factor was Following Too Closely, which accounted for 248 or 32.46% of the accidents. The next most recurrent contributing factor was Failure to Control accounting for 121 or 15.84% of the accidents for the reporting period. The busiest time of day for accident activity was between 5PM - 6PM with 77 (10.10%) accidents.

Seventeen (17) crashes were identified as having been alcohol related (2.23%). The drivers in this accidents were arrested and charged with OVI. Five hundred fifty-one (551) citations were issued to at fault drivers as a result of their accidents (72.31%).

## ACCIDENT ANALYSIS

### October - December 2006

October 1, 2006 through December 31, 2006 there were 190 reported traffic accidents, resulting in an average 2.07 accidents/day. Compared to 2005, accidents decreased 11.63% (2006 = 190; 2005 = 215).

Personal injury accidents (58) accounted for 30.53% of the total. Property damage accidents accounted for the majority of our activity with 111 reports being filed (58.42%). Private property collisions accounted for 21 (11.05%) reports being filed.

District 2 experienced the majority of accidents (52 or 27.37%). The second district with the most activity was District 4 (48 accidents or 25.26%). There were 32 collisions in District 1 (16.84%), 18 collisions in District 3 (9.47%) and in District 5, 40 accidents (21.05%). The busiest day of the week for accident activity for the reporting period was Friday with 42 accidents (22.11%) reported. The second busiest day was Thursday with 36 accidents (18.95%) reported. Accident activity for the remaining days of the week were as follows: Sunday = 17 (8.95%); Monday = 21 (11.05); Tuesday = 31 (16.32%); Wednesday = 26 (13.68%); and Saturday = 17 (8.95%).

The most frequent contributing factor was Following Too Closely, which accounted for 62 or 32.63% of the accidents. The next most recurrent contributing factor was Failure to Control accounting for 32 or 16.84% of the accidents for the reporting period. The busiest time of day for accident activity was tied between NOON-1PM and 5PM-6PM with 18 each (9.47% each) accidents.

Five (5) crashes were identified as having been alcohol related (2.63%). The drivers in these accidents were arrested and charged with OVI. One hundred forty-nine (149) citations were issued to at fault drivers as a result of their accidents (78.42%).

2. Juvenile Charges Filed:	98
3. No Further Action:	98
4. Referral to Other Agency:	0
5. Missing Persons/Runaways:	5

# TRAINING

## 2006 TRAINING OVERVIEW

This year our agency conducted over 2,665 hours of in-service training, which is approximately a 36% increase from 2005. This was mostly comprised of training mandated by our Division Policy, Accreditation standards, and topics identified by the Training Committee as necessary to stay current on law enforcement trends. Some of the major topics included were: Firearms Proficiency, Defensive Tactics, QUAD, Legal Updates, CPR/AED, STOPS, Evidence Collection, General Order updates, and a Critical Incident Exercise. A division employee attended an average of 28 hours of in-service training in 2006.

Agency personnel attended a total of 5,384 hours of outside training, which is a 17% decrease from 2005. Total training hours this year for the Division totaled 8,049 hours compared to 8,431 hours in 2005. These numbers indicate an average of fifty-seven hours of outside training per employee and a total training average of over eighty-six hours per employee within the Division.

There was a division goal to increase preparedness to handle critical incidents in 2004, 2005, and 2006. To achieve this goal the agency conducted Active Shooter training and expanded our tabletop critical incident drill to include all personnel. Individual shifts also conducted multiple tabletop exercises. There are plans to enhance this training even further in 2007, going from table top to live exercise. We will introduce Taser training in 2007 and will also conduct refresher Electronic Speed Measuring Device training for patrol personnel.

We continue to use our training room for a variety of purposes. Our facility has been utilized for training by the Ohio Association of Chiefs of Police, The Attorney General's Office, and the Ohio Chief Probation Officers Association. We also hosted our new "Street Safe" program and the Police Youth Academy. We used our training room for 301 hours of training and 146 hours of meetings in 2006.

Excellent training will continue to be an area of focus for our agency in 2007.

# COMMUNITY EDUCATION UNIT

October – December 2006

**Current concerns voiced by the community through civic association meetings, e-mail, phone calls, etc:**

In the fourth quarter of 2006 we received 95 inquiries via e-mail and telephone.

5 via email

90 via telephone

The most common inquiries were;

1. Request for services, i.e., tours of the Dublin Justice Center, Speaker/Activity Requests.
2. General law enforcement questions.

**Potential problems identified that have a bearing on law enforcement activities:**

Colder weather could affect road conditions and safety.

Holiday season safety concerns such as; theft and home safety during vacations.

**Recommended actions that address previously identified concerns and problems:**

Complete education and prevention efforts.

Target police resources using crime analysis in order to maximize prevention and enforcement.

**Progress made towards addressing previously identified concerns and problems:**

**(Also see progress on goals and objectives)**

Prevention and patrol efforts directed toward reducing the thefts.

Traffic enforcement efforts addressing targeted areas.

Education programs delivered on schedule to schools and community groups.

**Community Relations and Crime Prevention Events:**

23 Speaker/Activity Requests completed

Distributed “Anti-Theft Stickers” to local hotels

Completed 2 Personal Defense Programs (PDP) for local groups.

Completed on-site fingerprinting services.

Delivered the “Street Safe” Program for juvenile traffic offenders.

Delivered Safe Escape Program at Dublin Community Recreation Center

**Neighborhood Watch Program:**

Distributed a Neighborhood Watch “Starter Kit” for local groups.

5 meetings attended and distribution of related information to several residents

**Operation KidPrint and Block Parent Programs:**

Promoted the Block Parent Program at local events.

Provided “Kid Facts Kits” at several community events and directly to residents

**Speaker’s Bureau Commitments**

23 Speaker/Activity Requests completed

**Personal Defense Program:**

Completed 2 programs for local groups.

**Police Interns:**

1 Police Interns working within the division.

**Operation Gunlock:**

Gunlocks distributed at community events.

**QUALITY OF SERVICE SURVEY  
October - December 2006**

<b>CALLS FOR SERVICE SURVEY</b>							
<b>Question</b>	<b>Strongly Agree</b>	<b>Somewhat Agree</b>	<b>Agree</b>	<b>Somewhat Disagree</b>	<b>Strongly Disagree</b>	<b>Don't Know</b>	<b>N/A</b>
1. Any on-going investigation of your situation has been thoroughly and professionally handled.	3	0	1	0	0	1	1
2. Your situation was handled within a reasonable amount of time.	5	1	0	0	0	0	0
3. The level of service received met your expectations.	5	0	1	0	0	0	0
4. The services provided were responsive to your situation and helpful.	5	0	1	0	0	0	0
5. Your overall perception of the Dublin Division of Police is positive.	5	0	1	0	0	0	0
6. The efforts of the Dublin Police have made the city a safer place to live and work.	3	2	0	0	0	1	0

<b>Comments: "Thanks for all you do."</b>							

### TRAFFIC STOP SURVEY

Question	Strongly Agree	Somewhat Agree	Agree	Somewhat Disagree	Strongly Disagree	Don't Know	N/A
1. The officer(s) were professional and courteous during the traffic stop.	8	2	3	1	0	0	0
2. The traffic stop was reasonable and it was clear why you were stopped.	6	2	3	2	1	0	0
3. The officer(s) explained the reason for the stop and answered questions.	8	1	4	1	0	0	0
4. The officer(s) explained the citation and court/payment procedures.	7	3	4	0	0	0	
5. The amount of time the traffic stop lasted was reasonable.	6	3	3	2	0	0	
<b>Total Sent</b>	<b>100</b>						
<b>Total Received</b>	<b>14</b>						

**Comments: 73 in 65! Come on, that's pathetic. A warning should have been issued. "The officer was very friendly and caring when I had my accident. He could not have done a better job. Thanks"-Sarah**

# CANINE UNIT

## January – December 2006

The Division utilizes a highly specialized and trained canine component consisting of Officer Eric Cochrun and K9 Bairre. The team is trained to search for suspects as well as narcotics. The canine unit is assigned to third shift performing “normal” patrol officer duties as well as conducting searches for narcotics, suspects and evidence. The team may also be accessed by a duty supervisor during normal off-duty hours as the need arises.

A new K9, Bairre, was put into service this year replacing the retiring K9 Bart. Bairre was imported from The Netherlands in late March. Officer Cochrun and K9 Bairre completed an extensive three month canine trainer and handler program and were certified for duty in early July. All training of K9 Bairre was conducted in service by department personnel.

Since returning to patrol, Officer Cochrun and K9 Bairre conducted training during the annual STOPS training for the department. The K9 team has also been dedicated to building a positive reputation with area departments. The K9 Team has attended or hosted training with the following departments: Marysville PD, UCSO, DCSO, Morrow County SO, Genoa Township PD, Westerville PD, Athens PD, Madison County SO, Fairfield County SO, Fayette County SO, Bellefontaine PD, Logan County SO and Waverly PD.

### Canine Training Summery

Narcotics Detection	57.75hrs	24
Tracking	11.75hrs	12
Obedience	34hrs	94
Evidence Location	6.5hrs	10
Area Search	6hrs	6
Building Search	10hrs	6
Criminal Apprehension	15hrs	12
<b>Total:</b>	<b>71.5hrs</b>	<b>164 sessions</b>

\*Summery reflects July through November 29<sup>th</sup> when Bairre got neutered and was unable to train the month of December.

\*\*Table reflects training conducted after three month preliminary training.

\*\*\* Building search and Area Search training also include a Criminal Apprehension not represented in the Criminal Apprehension field.

### Canine Deployments

Narcotics Detection	38
Building Searches	2
Assist another Agency	6
Area Searches	2
Tracking	5
Evidence Location	3
K9 Arrests	22
Demonstrations	8
Criminal Apprehension	1
Call Outs	5
<b>Total</b>	<b>70 with 22 arrests</b>

### Proposed goals/ objectives for 2007:

1. Increase K9 deployments through proactively seeking opportunities for deployments in support of Patrol. (Double number of uses from last year)
2. Establish and maintain a CopNet link for the canine program.
3. Promote positive community relationships with the canine program through increase in public demonstrations from 2006.
