### Reserves

<b>Number Authorized</b>	10
<b>Number Actual</b>	3
Reserve Officer	3

\*The number of police officers will temporarily be increased to 54. This number will go back to 53 upon the retirement of Officer Jeff Moody in July of 2006.

# City of Dublin - Division of Police

## Organizational Chart - Standard 11.1.2

Revised June 2006  
Replaces: January 2006

\*Officers currently in Field Training Period  
not yet assigned to specific shift.

# DIVISION ACTIVITY

## Goals & Objectives Progress

January – June 2006

<b>1</b>	<b><i>Reduce the incidence of crime throughout the City.</i></b>
----------	--

### MEASUREMENT / OUTCOMES

- **Reduction in Part I Crimes based upon population index.**

### OPERATIONS BUREAU OBJECTIVES

#### PATROL

**2006-101** Reduce thefts from vehicles from 2005 figures (below 148).

*-The police division is on track to reduce thefts from vehicles from 2005 figures. Through the first half of 2006, the police division has received 77 reports of thefts from vehicles compared to 79 reports in the first half of 2005. This represents a 2% decrease in thefts from vehicles.*

**2006-102** Reduce burglaries/breaking and entering (B&E) from 2005 figures (below 141).

*-The police division is not on track to reduce burglaries/B&E's from 2005 figures. Through the first half of 2006, the police division has received 63 reports of thefts from vehicles compared to 62 reports in the first half of 2005. This represents a 2% increase in burglaries/B&E's.*

**2006-103** Increase the percentage of cases solved by patrol officers from 2005 figures (above 37%).

*-The police division is on track to increase the percentage of cases solved by patrol officers from 2005 figures. Through the first half of 2006, patrol officers were assigned 77 case investigations. Of those 77 case investigations, 69 of those cases have been closed. Of those 69 case investigations that were closed, 29 were cleared by arrest or exceptional means. Therefore the percentage of cases solved by patrol officers is 42%.*

#### CRIME ANALYSIS

**2006-104** Identify evolving or existing crime patterns/series and communicate this information to all division components.

*-The Crime Analysis Officer has issued several crime alerts in the first half of 2006. These crime alerts identified evolving or existing crime patterns/series and were communicated to all division components.*

6/29/2006	2006-014	Year-to-Date Map of Garage Burglaries
5/25/2006	2006-013	Updated map of May Thefts from Vehicles

3/21/2006	2006-007	Thefts from Vehicles: Map Spreadsheet
3/20/2006	2006-006	Potential Burglary Suspect
3/9/2006	2006-005	Updated Overnight Business Burglary Map
3/1/2006	2006-004	Burglary Prediction Map Updated 3/1/2006
2/22/2006	2006-003	Overnight Burglary Prediction for Next Incident
2/16/2006	2006-002	Overnight Business Burglaries
2/16/2006	2006-001	Map of Overnight Business Burglaries Jan-Feb 2006

**2006-104** Work with PIO to distribute education materials to the public and media concerning crime issues.  
*-This project is still under development with community relations and the city's web site designer/editor.*

### **SERVICES BUREAU OBJECTIVES**

#### **DETECTIVES**

**2006-106** Conduct hotel and pharmacy checks on a monthly basis. Include documentation of follow-up investigative efforts.

*-Objective being met on a periodic basis. This objective has been assigned most specifically to Detective R. Davis.*

**2006-107** Conduct periodic checks of area second-hand retail shops for stolen merchandise.

*-Conducted several times specifically by Detective O'Malley. Has turned up at least one case where stolen merchandise was found which resulted in the opening of a cold case #06-4145.*

**2006-108** Work cooperatively with Crime Analyst to investigate recurrent crime patterns/Assign Detective Section personnel to liaison directly with Crime Analyst.

*-Communication flow between units is working well. Officer Collier in addition to providing valuable information has been valuable in assisting on several detective section operations. Detective Higgins is the assigned liaison between units.*

**2006-109** Develop an additional five actively working confidential informants in 2006, each resulting in information leading to successful case clearances.

*-To date in 2006 we have enlisted only one new CI which is a part of a defendant's agreement through the prosecutor's office resulting from drug cases we have worked. This objective is on track to be met by years end as we have at least five more persons we have identified through surveillance operations.*

**2006-110** Achieve a 40% successful case clearance rate on a monthly and annual basis as an investigative unit.

*-Currently only showing a 29% successful clearance rate.*

**2006-111** Proactively initiate at least two drug investigations per month.

*-Have seven detective bureau drug investigations which have been self initiated to date this year.*

#### **COMMUNITY EDUCATION UNIT**

**2006-112** Deliver programs aimed at increasing citizen crime awareness (SafeEscape, Cyber Safe, Personal Defense Program, DARE) and evaluate presentations to measure participant feedback.

*-Completed 4 Safe Escape Classes at DCRC; Completed 3 CyberSafe Presentations for Dublin Schools, and PTO group; Presented PDP at all 3 high schools, and for 3 other groups in the community; Delivered all scheduled DARE Classes in the Dublin Schools for the 2005-06 school year; Received verbal feedback on classes and written thank you notes from participants. Planning a survey.*

**2006-113** Allocate enforcement resources in schools based on crime trend analysis to reduce crimes involving drugs, alcohol, theft, and violence from 2005 levels.

*-Transitioned to a more flexible operating standard with CEU to allow SRO's to surge between schools to address particular issues. SRO's have employed theft prevention measures such as; educational campaigns, focused patrols, and comprehensive investigations to solve and prevent crime.*

**2006-114** Implement the SRO Contact Reporting System to report SRO activity and use information for crime prevention, education, and law enforcement.

*-This system is implemented and being used by all CEU members for monthly reporting. Its use will be expanded in the next school year to include generating real time data from schools to focus enforcement and prevention efforts.*

## **TECHNICAL SERVICES BUREAU OBJECTIVES**

### **COMMUNICATIONS**

**2006-115** Utilize the Dublin Emergency Calling System to make notifications to businesses and residents in response to crime trends.

*-On July 7<sup>th</sup>, the DECS system was used to make notification to residents in the area of Frantz Rd and Longbranch Drive of a suspect wanted out of a pursuit. Approximately 220 phones were contacted. The activation produced no leads on the suspect who was never located. There have been no additional requests by officers to use the system for notifications during this period.*

### **RECORDS**

**2006-116** Complete all crime-related data entry by the second work day of each new month.

*-This objective has been accomplished successfully for each month so far this year.*

**2006-117** Complete all crime and officer activity-related analysis reports by the fifth work day of each new month with distribution completed on the seventh work day of each month.

*-This objective has been accomplished successfully for each month so far this year.*

**2006-118** Cross-train assigned personnel in crime and activity-related analysis reporting.

*-Cross-training has started and will continue through the remainder of the year. The success of this goal will be measured by the ability of each clerical specialist to independently complete a set of monthly reports.*

<b>2</b>	<b><i>Maintain traffic safety throughout the City by reducing traffic crashes and responding effectively to other traffic concerns.</i></b>
----------	---

### **MEASUREMENT / OUTCOMES:**

- **Number of accidents vs. index.**
- **Reduction of speed in areas identified by TEU.**

## **OPERATIONS BUREAU OBJECTIVES**

### **PATROL**

**2006-201** Reduce traffic crashes in the top 7 traffic crash corridors from 2005 figures (below 312).

*-The police division is on track to reduce traffic crashes in the top 7 traffic crash corridors from 2005 figures. Through the first half of 2006, the police division has reported 124 traffic crashes in the top 7 traffic crash corridors compared to 141 reports in the first half of 2005. This represents a 12% decrease in traffic crashes in the top 7 traffic crash corridors.*

**2006-202** Ensure at least 30% of all traffic stops and citations are issued within the top 7 traffic crash corridors.

*-The police division is on track to ensure that at least 30% of all traffic stops and citations are issued within the top 7 traffic crash corridors. For the first half of 2006, 50% of traffic stops (2617/5259) and 56% of citations (1650/2948) issued occurred in the top 7 traffic crash corridors.*

**2006-203** Increase the number of division wide OVI arrests from 2005 figures (above 124).

*-The police division is on track to increase the number of division wide OVI arrests from 2005 figures. Through the first half of 2006, the police division has made 73 OVI arrests.*

### **TRAFFIC ENFORCEMENT UNIT**

**2006-204** Reduce speeds in those neighborhoods which warrant a TEU response.

*-The police division is on track to reduce speeds in those neighborhoods which warrant a TEU response. Over 90% of speed complaints have been shown to be a perception issue rather than an actual speeding problem. In 2006, there have only been two major speeding projects that the TEU has collectively worked on: 1) Post & Gordon Farms which resulted in a decrease in the 85<sup>th</sup> percentile speed by 1.49% and 2) Post Preserve & Blakemore which resulted in a decrease in the 85<sup>th</sup> percentile speed by 1.7%. The TEU continues to work on smaller neighborhood traffic issues on a daily basis.*

**2006-205** Reduce traffic crashes in the top 7 traffic crash corridors from 2005 figures (below 312).  
*-The police division is on track to reduce traffic crashes in the top 7 traffic crash corridors from 2005 figures. Through the first half of 2006, the police division has reported 124 traffic crashes in the top 7 traffic crash corridors compared to 141 reports in the first half of 2005. This represents a 12% decrease in traffic crashes in the top 7 traffic crash corridors.*

**2006-206** Develop a traffic count index to be used in conjunction with division goals & objectives.  
*-This project is still under development with the division of engineering.*

### **CRIME ANALYSIS**

**2006-207** Identify evolving or existing traffic crash patterns/trends and communicates this information to all division components.

*-The Crime Analysis Officer has issued weekly and monthly reports which identify evolving or existing traffic crash patterns/trends. These reports are issued to all division components.*

**2006-208** Work with PIO to distribute education materials to the public and media concerning traffic issues and traffic safety.

*-This project is still under development with community relations and the city's web site designer/editor.*

### **SERVICES BUREAU OBJECTIVES**

#### **COMMUNITY EDUCATION UNIT**

**2006-209** Implement Street Safe juvenile traffic diversion program by end of May, 2006.

*-Street Safe implemented 01 July 2006 with the first class 10 August 2006. Enrollment of juvenile offenders into the program has been encouraging.*

**2006-210** Traffic issues at schools will be addressed by assigned CEU members through direct enforcement, education, and/or liaison with TEU and Patrol.

*-Safe Driving lessons presented during HS DARE curriculum as scheduled. SRO's at all 3 high schools conducted speed blitz events in cooperation with TEU in order to address speeding. Seat belt usage education and enforcement efforts conducted at the high schools.*

### **TECHNICAL SERVICES BUREAU OBJECTIVES**

#### **COMMUNICATIONS**

**2006-211** Consistently notify media outlets of traffic problems when they occur to help improve traffic flow in the city.

*-In the first six months of this year, Communications Technicians have notified area traffic reporters and media outlets of traffic problems on 22 incidents: 19 traffic crashes, 2 Fire/EMS related incidents and 1 HazMat incident.*

### **RECORDS**

**2006-212** Complete all traffic-related data entry by the second work day of each new month

*-This objective has been accomplished successfully for each month so far this year.*

**2006-213** Complete all traffic and officer activity-related analysis reports by the fifth work day of each new month with distribution completed on the seventh work day of each month.

*-This objective has been accomplished successfully for each month so far this year.*

**2006-214** Cross-train assigned personnel in traffic and activity-related analysis reporting.

*-Cross-training has started and will continue through the remainder of the year. The success of this goal will be measured by the ability of each clerical specialist to independently complete a set of monthly reports.*

**MEASUREMENT / OUTCOMES:**

- Identify purchase and fielding of essential equipment at unit level in support of readiness.
- Completion of related training and readiness exercises at unit/division level.
- Actual performance at major crimes, mock incidents as measured by debriefs, summaries and critiques.

**OPERATIONS BUREAU OBJECTIVES****PATROL**

**2006-301** Complete two critical incident/major crime exercises (i.e. tabletops, drills, scenarios, etc.) per shift.  
*-No critical incident/major crime exercises were completed in the first half of 2006.*

**2006-302** Complete debriefings with officers involved in critical incidents/major crimes in an effort to identify and correct issues that will improve future performance.

*1-13-06: Debrief with officers involved in the execution of a search warrant with the Ohio AG's office.*

*2-1-06: Debrief with officers involved in the response and preliminary investigation of a bank robbery.*

*2-3-06: Debrief with officers involved in a search warrant out of a foot pursuit with a suspect.*

*2-15-06: Debrief with command personnel involved in the Presidential Visit to Wendy's International.*

*2-28-06 to 3-12-06: Multiple de-briefings with officers working the B&E surveillance detail.*

**2006-303** Ensure officers deploy the ballistic packages and their first responder equipment on a daily basis.

*-Supervisors have been conducting regular spot checks to ensure officers are deploying the ballistic packages and first responder equipment on a daily basis.*

**TRAFFIC ENFORCEMENT UNIT**

**2006-304** Ensure officers deploy the ballistic packages and their first responder equipment on a daily basis.

*-Supervisors have been conducting regular spot checks to ensure officers are deploying the ballistic packages and first responder equipment on a daily basis.*

**2006-305** Participate in shift exercises and debriefings as applicable.

*-TEU officers participated in those debriefings where they were involved in the response to the critical incident/major crime.*

**SERVICES BUREAU OBJECTIVES****DETECTIVES**

**2006-306** Maintain crime scene and major crime response by conducting monthly training on portions of crime scene response equipment.

*-This objective is not being met on a monthly basis, only two documented so far this year.*

**2006-307** Conduct and document in-service training two times this year as a unit related to major crime scene response.

*-No progress*

**2006-308** Conduct and document at least two moving surveillance trainings with all detective section personnel.

*-We had our first training session set for 7/6/2006 which we had to cancel at the last minute due to a narcotics purchase. The next time all detective section personnel are on duty at the same time is the end of August. We have scheduled the exercise for 8/31/2006.*

**2006-309** Conduct a debrief and prepare an after-action report on all training.

*-No progress.*

### **COMMUNITY EDUCATION UNIT**

**2006-310** Improve readiness to respond to major crimes in middle schools through deployment of ballistic vests and helmets.

*-Vest and helmet information acquired and purchase is imminent to be deployed September 2006.*

**2006-311** Complete at least one unit training exercise every six months focusing on tactical responses in schools by individual SRO's to crimes in progress or disturbances.

*-Exercise planning underway – to be completed early September 2006.*

**2006-312** Conduct debriefs and after-action reports of incidents at schools. Integrate any lessons learned into unit training exercises and operations.

*-SRO's have submitted written debriefs on drills and incidents. These collected, reviewed and will be integrated into training.*

### **TECHNICAL SERVICES BUREAU OBJECTIVES**

#### **COMMUNICATIONS**

**2006-313** Implement the Incident Dispatching Team (IDT) concept.

*-The incident dispatching team was selected and conducted their first in-service training day on April 6<sup>th</sup>. Team members include CS Readnour, CS Burkhardt, CT Pineault, CT Richmond, CT McCoy, CT Blakesley, CT Fergus and CT Karns.*

*-The team will hold training sessions every other month. The team has completed purchasing of needed equipment and has compiled a rapid response kit to take with them to scenes. They have also developed a call in procedure that requires the approval of a communications supervisor prior to response.*

*-The IDT team was deployed on June 21<sup>st</sup> to support WTFD incident command at a two alarm fire at the Craughwell Village apartments.*

**2006-314** Conduct a communications center evacuation drill.

*-Preparation continues for a drill to be conducted in early December. Training of staff is expected to occur at the November Communications In-Service Training.*

**2006-315** Complete a revision of the radio system template to ensure area-wide interoperability

*-CT Paul Richmond successfully completed a redesign of the police radio template in April. The Grove City 800mz and the Delaware County 800mz systems were added to the template for interoperability.*

*-Franklin County EMA and Central Ohio Red Cross talk-groups were also added to allow for communication with those disaster response agencies.*

*-Several Dublin talk-groups were re-named to better represent their function on the radio system. This will aid outside agencies that may be operating on our system to better identify the function of a talk-group by its alias.*

*-CT Richmond arranged for two Dublin specific talk-groups on the new Delaware County Digital 800mz system. Comm#3 will be used for the Incident Dispatching Team. Event#7 will be used for special operations and will also serve as the back-up talk-group in the event the Dublin 800mz system should fail. Delaware County created the talk-groups free of charge for Dublin in the interest of interoperability.*

**2006-316** Conduct a feasibility study and make a proposal on the merging of the Dublin and Worthington radio systems.

*-In May, Motorola provided an engineering and budgetary quote for this project. Motorola proposed creating a 7 channel, 3 site Astro25® Digital SmartNet Simulcast system that interconnects with the Delaware County 800mz system through the sharing of a system controller. This would allow users from both systems to seamlessly cross from one system to the other and to take advantage of coverage and system capacity. The proposed cost for this project is approximately \$3.6 million. A request was placed in the capital improvements budget to fund this project in 2008.*

**2006-317** Installation of new digital 800mhz radios in all police vehicles.

*-Motorola XTL5000 radios were purchased in February and delivered by Motorola in March. To date, 8 cruisers have been changed out, with the remainder being upgraded as new cruisers are delivered or as time permits. This project is on track to have all installations completed by the end of 2006.*

**2006-318** Successful addition of a fifth console position in the communications center.

*-In July, the Facilities Department will complete the removal of the wall and upgrade of the floor in the center to accommodate the fifth position. Proposals are complete from Motorola and Watson Furniture with equipment being ordered in August. Installation is expected to be completed by mid-October.*

## **RECORDS**

**2006-319** Complete staff participation in critical incident scenario training, including participation in debriefing sessions.

*-Staff is expected to participate in the critical incident scenario drill scheduled for October.*

**2006-320** Conduct training of all staff on skills needed for call taking in the Dublin Crisis Call Center.

*-Training is scheduled for early October.*

## **ADMINISTRATIVE OBJECTIVE**

**2006-321** Complete QUAD training for all sworn employees (100% compliance).

*-QUAD training is scheduled to be completed in October 2006.*

# DIVISION ACTIVITY

## CALLS FOR SERVICE

### District 1

Includes all areas within the city limits that are south and east of Interstate 270 and west of the Scioto River. Also includes I270 northbound from US 33 westbound ramp up to Sawmill Road.

### District 2

Includes all areas within the city limits that are east of the Scioto River, west of Sawmill Road, south of the Delaware County Line and north of Martin Road. Also includes I270 westbound from Sawmill Road to US 33 and the ramp from I270 southbound to US 33 westbound.

### District 3

Includes all areas within the city limits that are north of Brand Road and west of the Scioto River. All addresses that are within the city limits on Brand Road including the intersections of Brand Road/Muirfield Drive and Brand Road/Dublin Road are covered by this district.

### District 4

This district includes all areas within the city limits that are south of Brand Road, north of US 33 and west of Interstate I270, Browning Court and Dublin Road. Addresses that are south of Brand Road to the I270 overpass that are within the city limits are part of District 4.

### District 5

This area includes all areas within the city limits that are south of the north edge of US 33 and west of I270. This area also covers both northbound and southbound lanes of I270 between Tuttle Crossing and US 33 and all ramps to and from I270 south of US 33.

**NOTE:** The following is a breakdown of calls for service. They represent initial reports. The number of actual offenses may be different after officer's investigation.

# WORKLOAD ANALYSIS REPORT

## April - June 2006

The April through June 2006 Workload Analysis Report reflects a total of 6,660 calls for service. This figure does not include traffic stops, foot patrols or courtesy cards initiated by officers or activity occurring in District 0 (calls outside city limits/mutual aid). The average response time for calls was five (5) minutes from the time the call was received by our communications technician until the first responding officer arrived on the scene. The average time to reach a disposition and clear the call was twenty-one (21) minutes.

The Workload Analysis Report also allows us to track activity levels by hour by day. We analyze this data to determine our staffing levels for patrol shifts. By reviewing our Workload Analysis Chart on the following page, you can see that our busiest hour of activity was between 3PM and 4PM. Seven hundred forty-one (741) calls for service were received during this time frame. The next busiest hour was between 4PM and 5PM when 558 calls for service were received. The ability to obtain this type of data is critical to effectively staff our patrol shifts.

While reviewing this report it is important to note that various factors can influence average response times. "Stacking" of calls where lower priority calls are held so that calls of a more urgent nature can be dispatched and responded to commonly occurs. "Cross dispatching" where an officer is dispatched out of district to a call will also increase response time. Low priority calls that are received during roll call/shift change negate an immediate response from patrol officers thus increasing response times.

As a matter of practice, we like to keep our average response time for all calls occurring inside the City under ten (10) minutes. As previously stated, there are certain incidents where that becomes impossible. However, our goal is realistic and as demonstrated by the April through June 2006 report was met. In an effort to assist the reader in reviewing the Workload Analysis Report the following is a list of some relevant interpretations for review.

### District 1 Totals

1,226	Calls for Service
5	Minute average response time
20	minute average time to resolve call

### District 4 Totals

1,843	Calls for Service
5	minute average response time
23	minute average time to resolve call

### District 2 Totals

1,033	Calls for Service
6	minute average response time
25	minute average time to resolve call

### District 5 Totals

1,110	Calls for Service
5	minute average response time
19	minute average time to resolve call

### District 3 Totals

1,448	Calls for Service
7	minute average response time
17	minute average time to resolve call

### Total Calls for Service

6,660	Calls for Service
5	minute average response time
21	minute average time to resolve call

# ***Calls for Service by Time of Day April - June 2006***

**ACCIDENT ANALYSIS  
APRIL - JUNE 2006**

April 1, 2006 through June 30, 2006 there were 194 reported traffic accidents, resulting in an average 2.13 accidents/day. Compared to 2005, accidents were the same for the reporting period (2006 = 194; 2005 = 194).

Personal injury accidents (48) accounted for 24.74% of the total. Property damage accidents accounted for the majority of our activity with 114 reports being filed (58.76%). Private property collisions accounted for 32 (16.50%) reports being filed.

District 4 experienced the majority of accidents (55 or 28.35%). The second district with the most activity was District 2 (51 accidents or 26.29%). There were 32 collisions in District 1 (16.49%), 18 collisions in District 3 (9.28%) and in District 5, 38 accidents (19.59%). The busiest day of the week for accident activity for the reporting period was Wednesday with 39 accidents (20.10%) reported. The second busiest day was Thursday with 35 accidents (18.04%) reported. Accident activity for the remaining days of the week were as follows: Sunday = 17 (8.76%); Monday = 16 (8.25%); Tuesday = 29 (14.95%); Friday = 34 (17.53%); and Saturday = 24 (12.37%).

The most frequent contributing factor was Following Too Closely, which accounted for 52 or 26.80% of the accidents. The next most recurrent contributing factor was Failure to Yield accounting for 28 or 14.43% of the accidents for the reporting period. The busiest time of day for accident activity was between 5PM-6PM with 24 (12.37%) accidents.

Three (3) crashes were identified as having been alcohol related (1.55%). The drivers in these accidents were arrested and charged with OVI. One hundred twenty-nine (129) citations were issued to at fault drivers as a result of their accidents (66.50%).

# COMMUNITY EDUCATION UNIT

April – June 2006

**Current concerns voiced by the community through civic association meetings, e-mail, phone calls, etc:**

In the first quarter of 2006 we received inquiries via e-mail and telephone regarding the following:  
-126 general inquiries about services and programs.

**Potential problems identified that have a bearing on law enforcement activities:**

-Increased activity involving youth as school is out for the Summer.

**Recommended actions that address previously identified concerns and problems:**

-Complete education and prevention efforts.  
-Target police resources using crime analysis in order to maximize prevention and enforcement.

**Progress made towards addressing previously identified concerns and problems:**

**(Also see progress on goals and objectives)**

-Prevention and patrol efforts directed toward reducing the thefts.

**Community Relations and Crime Prevention Events:**

-19 Speaker/Activity Requests completed  
-Distributed “Anti-Theft Stickers” to local hotels  
-Completed 2 Personal Defense Programs (PDP) for local groups.  
-Completed on-site fingerprinting services.  
-Implemented the “Street Safe” Program for juvenile traffic offenders.

**Neighborhood Watch Program:**

-Developed and distributed a Neighborhood Watch “Starter Kit” for local groups.  
-2 meetings attended and distribution of related information to several residents

**Operation KidPrint and Block Parent Programs:**

-Promoted the Block Parent Program at local events.  
-Provided “Kid Facts Kits” at several community events and directly to residents

**Speaker’s Bureau Commitments**

-19 Speaker/Activity Requests completed

**Personal Defense Program:**

-Completed 2 programs for local groups.

**Police Interns:**

-Anticipate hiring 2 interns for Summer 2006.

**Operation Gunlock:**

-Presented at community events.

Information on school programs will be included in the next quarterly report. A new reporting software and procedures are in implementation.

**QUALITY OF SERVICE SURVEY  
APRIL-JUNE 2006**

<b>Comments:</b>							
<p>“The officer responded quickly and professionally. He gave me a form with credit bureaus listed with telephone numbers. The form had step by step suggestions of things to do and how to reach him. I have talked to many people about what they would do if someone stole their identity. No one knew what to do. In my situation, I have now cleared all my credit records and also put a hold on any credit that might be asked for by anyone other than me. I want to thank our Dublin Police Dept. for their help, including being kind and responsive to my calls.”</p> <p>“The copy of the report I received contained social security numbers! Someone tried to block them out with a black marker but it was still easy to read them.”</p>							

<b>TRAFFIC STOP SURVEY</b>							
<b>Question</b>	<b>Strongly Agree</b>	<b>Somewhat Agree</b>	<b>Agree</b>	<b>Somewhat Disagree</b>	<b>Strongly Disagree</b>	<b>Don't Know</b>	<b>N/A</b>
1. The officer(s) were professional and courteous during the traffic stop.	3	1	2	1	0	0	0
2. The traffic stop was reasonable and it was clear why you were stopped.	3	0	2	2	0	0	0
3. The officer(s) explained the reason for the stop and answered questions.	2	1	2	1	1	0	0
4. The officer(s) explained the citation and court/payment procedures.	2	0	3	2	0	0	0
5. The amount of time the traffic stop lasted was reasonable.	2	1	3	0	1	0	0

# WORKLOAD ANALYSIS REPORT

## January - June 2006

The January through June 2006 Workload Analysis reflects a total of 13,028 calls for service. This figure does not include traffic stops, foot patrols or courtesy cards initiated by officers or activity occurring in District 0 (calls outside city limits/mutual aid). The average response time for calls was five (5) minutes from the time the call was received by our communications technician until the first responding officer arrived on the scene. The average time to reach a disposition and clear the call was twenty (20) minutes.

The Workload Analysis also allows us to track activity levels by hour by day. We analyze this data to determine our staffing levels for patrol shifts. By reviewing our Workload Analysis Graph on the following page, you can see that our busiest hour of activity was between 3PM and 4PM. One thousand five hundred forty-three (1,543) calls for service were received during this time frame. The next busiest hour was between 4PM and 5PM when 1,196 calls for service were received. The ability to obtain this type of data is critical to effectively staff our patrol shifts.

While reviewing this report it is important to note that various factors can influence average response times. "Stacking" of calls where lower priority calls are held so that calls of a more urgent nature can be dispatched and responded to commonly occurs. "Cross dispatching" where an officer is dispatched out of district to a call will also increase response time. Low priority calls that are received during roll call/shift change negate an immediate response from patrol officers thus increasing response times.

As a matter of practice, we like to keep our average response time for all calls occurring inside the City under ten (10) minutes. As previously stated, there are certain incidents where that becomes impossible. However, our goal is realistic and as demonstrated by the January through June 2006 report, was met. The following is a break down of calls for service by district with the overall total calls, average response time and average time to resolve the call:

### District 1 Totals

2,611 Calls for Service  
 5 minute average response time  
 20 minute average time to resolve call

### District 4 Totals

3,416 Calls for Service  
 5 minute average response time  
 24 minute average time to resolve call

### District 2 Totals

2,184 Calls for Service  
 5 minute average response time  
 21 minute average time to resolve call

### District 5 Totals

2,078 Calls for Service  
 5 minute average response time  
 20 minute average time to resolve call

### District 3 Totals

2,739 Calls for Service  
 7 minute average response time  
 16 minute average time to resolve call

### Total Calls for Service

13,028 Calls for Service  
 5 minute average response time  
 20 minute average time to resolve call
