

2010 Summer Camp Open Houses

Calling all camp parents! Do you have questions about your child's summer camp program? Maybe you're wondering what your child should wear each day, or what your child will be doing at camp? Come visit us during our Summer Camp Open Houses to ask questions, turn in required forms, and even meet some camp staff members. Spend 5 minutes or the whole two hours with us...the time commitment is entirely up to you. We highly encourage ALL camp families to drop in, regardless of your past participation, so we can answer any questions that you may have. Additionally, this is your chance to turn in all of your required forms before the May 14 deadline. We hope to see you the last week in April!

Sincerely,
The Dublin Programming Staff
