

**Baby & Kid Sale Bonanza**  
**How It Works:**  
**a guide for those attending**

**Sunday, April 22**  
**1:30 - 3:30 p.m.**  
**DCRC, Gymnasiums A&B**

**About the Sale:**

- Our Baby & Kid Sale Bonanza is an opportunity for those looking to purchase gently-used children's items (newborn – 12years) and maternity items in a community garage sale setting. The two hour event takes place in our Gym where we set up to 30 individual family sale areas. Those attending the sale are free to shop and pay at each area before moving on to the next. Doors open to the public at 1:30 p.m. and close promptly at 3:30 p.m. Access to and from the sale is through the exterior gym doors.

**Before the Sale:**

- For those attending the event, cash is the preferred form of payment so make sure you have plenty of it for lots of great deals! There is an ATM onsite, however it is advised to have cash prior to arriving in case there are any concerns with the machine the day of the event. The recreation center is not able to provide any change. Acceptance of checks will be up to the individual family sellers, and there are no credit card sales.
- Due to the location of the event, a special entrance will be set up near the west parking lot (close to the pond area). Parking is available around the center and in our overflow lot. **Please keep in mind that entrance to this event will only be through the special marked entrance – no entry available through the check in desk of the recreation center.** You will receive a colored wristband for the sale that must be worn and will allow you entry into the event. If for any reason you need to go into the recreation facility, know that you will be **required to show a state, school, or DCRC photo ID** to go passed the front desk check in order to return to the gym area.
- The line will officially start at 12:45 p.m. Although you are not required to arrive that early, be prepared to stand until the doors open at 1:30 p.m. **Be aware that the line is outdoors and you will need to dress appropriately for the weather.** Staff will be at the marked area assisting with wristbands. If you plan to attend the sale, you can arrive anytime between 12:45 p.m. and 3:15 p.m. No new admittance will be permitted after 3:15 p.m.

**During the Sale:**

- Once the doors open to the public, those attending the sale are free to shop and pay at each area before moving on to the next sale. The individual family sellers will be wearing a vendor badge for identification purposes.
- **Buyer Beware!** Individual family sellers have reviewed the recalls listed on the Consumer Product Safety Commission's website and have agreed not to sell recalled items. Since we are unable to test products, we do not require those selling to provide proof that the items being sold are lead-free. Please keep in mind that due to the nature of this event, all sales are final and the recreation center is not responsible for any items sold. **No cribs or car seats are sold at this event.**
- If you purchase a large item and need assistance getting it to your vehicle, please see one of the staff and we would be happy to assist you.
- If you attend the sale with your children, please make sure they are with you at all times. For their safety and well being, it is recommended that small children stay in their strollers since this event can be extremely crowded.
- Enter and exit the sale through the exterior gym doors.

**End of Sale:**

- The sale ends promptly at 3:30 p.m. A final announcement will be made and we request all attending to exit in order to provide the necessary clean up time for our family sellers.
