1	Train our kids to be responsible American citizens especially in this day and age when there is a lot of uncertainty with our economy. Teach these kids about how our government works - we need them to BAIL US OUT in the future! Provide courses on how the City of Dublin works - and how it works with the City of Columbus, the State of Ohio, and the Nation.
2	We would love to see a Citizen Police Academy!
3	no
4	More presence in the schools.
5	More follow through on incidents
6	I think you have it covered!
7	I'D LIKE TO SEE LOCAL POLICE HOLD CLASSES OR LECTURES ON CHANGES OR UPDATES ON WHAT WE AS CITIZENS CAN DO TO HELP!!! AND ANY CHANGES IN THE LAWS
8	Safety education
9	Cameras at busy corners. On a daily basis on Avery Muirfield as vehicles are turning left to enter 161/33, there are individuals who turn after the light is red. I know this because I am on the opposite side of the road & the light on my side has turned green and still cars are turning in front of me. Let's get a camera at that site.
10	Our car was broken into. We still don't know who did it. It seemed as if we were the criminal and not the victim for parking a car in our driveway. The neighborhoods are TOO DARK!
11	I think if the community interacted more with the Dublin police...we could all develop relationships. I think that is extremely important because then you have a better respect for the people protecting you and your family.
12	I'd like to see occasional bike patrols along the bike paths
13	The chief of police should have the common courtesty of at least responding to letters written to him by residents & taxpayers of dublin...who took thier time to voice a concern!

44	This is in response to item #37 below: The Dublin police was kind enough to stop at my house when I accidentally left my garage door open. I have sensors on the doors that normally remind me when a door is up but one of the batteries died. I would not have known my door was open had the office not caught it. I appreciate that.

49	About the only thing they could do is be in more places at one time. I have called them a number of times because I noticed vandalism. Twice time, they were there almost immediately. Once I had to wait just over an hour, they were very apologetic, but thye had more pressing business.

60	I think the Division of Police does a wonderful job. They keep down the speeders on 270 - the only suburb besides Hilliard who does. Officers are very polite and service oriented.

83	No, but I do want to praise the individual policeman who took the time to stop and say hi and "high five" our teens at a coffee shop. He was so "cool" according to our teens that he changed their opinion of the whole force.

90	I would like for the Dublin Police to be alot more friendly to its citizens. Do they do volunter work in Dublin? Tell them to smile alot more
91	They should have a place on the web were residents could anonymously make non-emergency reports. Most times that I think of calling, I do not, because I don't want to tie up the emergency dispatcher with non-emergency requests or info.
92	I'd like to see more emphasis on preventing drug/alcohol use in children/teens - and reducing domestic violence. It does happen here.
93	Be better about ticketing cars left in the street for more than 48 hours.
