

City of Dublin Residents Survey 2010 - LAUNCHED

Results Overview

Date: 4/27/2010 7:26 AM PST

Responses: Completes

Filter: No filter applied

62. What is the primary reason you used the City of Dublin Web site?

#	Response
1	to find phone #'s or policies for yard waste pick up
2	To get a better understanding on how the city of Dublin is structured. Looking for ways on how I can participate in our City as a citizen. With the uncertainty in our economy, I've been watching to see where my tax money is going and what I can do to help the City of Dublin move forward in tough times.
3	to check up on rezoning issues related to my property and neighborhood
4	register online for services
5	to look up dates for refuse collection (also to look up phone numbers and park maps)
6	Resident Services
7	To receive information on the city. We do not get the city's news papers delivered to us as we live in an apartment and we cannot watch the television programs because we use AT&T cable as opposed to Time Warner.
8	information about services and events
9	Information resource Registration for Dublin Recreation Programs
10	phone no's and info about city events
11	Information on Holiday events.
12	info on Festivals or council agendas
13	Irish Festival schedule
14	to locate information - ie: trash pickup days, phone numbers for yard waste pickup
15	I didn't know they existed
16	recreation center information and to find out about upcoming events etc city plans
17	check out events and learn about city services
18	Rec center Holiday items ie parades
19	information
20	Look up information (hours of buildings, tree collection day, etc.)
21	information about City events, employment opportunities
22	I was trying to find information and updates about road construction projects and more information about a "green sign" posted in the neighborhood.
23	Find out what's happening, like events or program, or planning. Register for classes.
24	informations
25	FOr my job in real estate

26	recreation information or who to call information.
27	news of whats happening.
28	To check Council agenda, use the mapping service, check City ordinances, check police reports
29	Easy to use and available at all times
